

2019 Western Canada Summer Games

Introduction

In less than five months, Yukon athletes will be among the nearly 2000 Western Canada's best and brightest athletes setting their sights on Swift Current, Saskatchewan, as the community hosts the 2019 Western Canada Summer Games (WCSG). Thousands of visitors including officials, VIPs, media and spectators will come together for the 10-day sporting event. Featuring 16 sports and a major arts and cultural festival, the 2019 Games will be the largest event in Swift Current's history. Volleyball Yukon, along with many other WCSG teams from Yukon, will be a part of this event.

History of the Western Canada Summer Games

The Western Canada Summer Games were officially launched in Regina, Saskatchewan in August 1975, in a pre-Olympic Games year. Along with the official launch was a commitment from participating provinces and territories to hold the Western Canada Summer Games every four years, one year ahead of the Olympic Games.

The Western Canada Summer Games are intended to provide development opportunities for amateur athletes and to help them advance their skills in a competitive but friendly environment. The Games also serve to broaden the exposure of talented athletes and provide a training ground for national and international level competitions. Social and cultural elements round out the sporting events for athletes.

Team Yukon - Volleyball

4.0 WCSG TEAM SELECTION CRITERIA

There are five criteria on which athlete selection is based. Examples of each criterion are presented in italics.

1. Technical – *Ability to play the game, ball control, attacking defending and associated skills and techniques related to specific positions.*
2. Physical – *Player strength, agility, speed, power endurance and jumping ability.*
3. Psychological – *Concentration, mental toughness, communication.*
4. Tactical – *Court awareness, decision making and understanding of the game.*
5. Social – *Interaction with players and coaches, involvement, maturity, respect toward others and overall personal dynamic within the group.*

* Please refer to the evaluation package for more details on the skill level for which evaluations are based.

Coaches will select players based on the criteria outlined above and detailed in the evaluation package. Volleyball Yukon will identify evaluators to participate in the selection of athletes to mitigate against potential or perceived bias.

Fitness is the onus of each selected player, regardless of circumstance or time of year. If a selected player does not maintain his/her fitness, in the opinion of their coach and based on an evaluation of the athlete's fitness, a coach may elect to remove him/her and consider alternates in their place. This decision will be communicated in writing from the coaches to the athlete only after the coaches has noted their concerns to the athlete and provided a reasonable time-frame to achieve an expected level of fitness.

Coaches and evaluation assistants will meet prior to the commencement of the selection process to establish a uniform approach to the evaluation of athletes. Volleyball Yukon priorities include consistency of evaluation across all WCSG Tryouts with the aim of selecting high performing competitive teams for the 2019 WCSG.

Athletes may be removed and replaced after selection under certain circumstances. See Team Yukon WCSG Code of Conduct.

All selected athletes and their parents or guardians will be asked to sign a contract reflecting their commitments and duties in the lead-up to and during the 2019 WCSG, and will be asked to sign the Volleyball Yukon and/or Team Yukon Code of Conduct.

5.0 TEAM FINAL SELECTION

A Selection Committee appointed by Volleyball Yukon Board of Directors will review the 2019 WCSG Player Evaluation Forms and Coach recommendations to approve the final team roster. The WCSG Coaches will be non-voting members of the Selection Committee.

In the event of a tie and before confirming the final roster, the 12th spot can remain open in the event there is more than one player eligible for that spot. These players would be identified, by the coaches, as alternates for the remaining spot and would vie for the position during team training/practices.

5.1 Final Roster Announced

The Volleyball Yukon WCSG Selection Committee is required to retain copies of the Athlete Evaluation Forms for at least ten (10) days following the last day of the Trials. An athlete may request to see their Evaluation Forms within the ten (10) day timeline.

5.2 APPEALS Regarding Final Athlete Selection

Any athlete will be able to file an appeal with Volleyball Yukon within 2 days of the announcement of the 2019 WCSG team(s). This can be done in writing to the Vice President of Volleyball Yukon, Kenneth Howard at k.howard.vy@gmail.com.

A separate appeals committee will be formed by Volleyball Yukon to review the appeal and make a decision if needed. Team Yukon will also be fully advised of any appeal by Volleyball Yukon and/or the mission staff.

5.3 REMOVAL AND REPLACEMENT

The head coach and assistant coach of a WCSG team may, once players have been selected, jointly request that the Volleyball Yukon Board of Directors remove an athlete from the WCSG process. Volleyball Yukon will communicate the decision to the athlete or coach in writing with a copy to Team Yukon. Examples include (but are not limited to) injury, illness, attendance, fitness standard, disrespect, and misconduct.

The Volleyball Yukon Board of Directors reserves the right to remove any athlete or coach from the WCSG process if that athlete or coach is found unable to meet or abide by any requirements in the selection criteria or other policies and guidelines set forth by

Volleyball Yukon and Team Yukon. In the event of conflicting policies Team Yukon policies will supercede.

5.4 DISPUTE RESOLUTION

Coaches are expected to keep full evaluation records of all athletes from both Trial Selection sessions. Following each Trial selection session, coaches and evaluators must hand-in completed evaluation forms to the designated Volleyball Yukon representative at the end of each session.

6.0 STEP 4 – TRAINING COMMITMENTS

Following selection through to the conclusion of the Games, Team Yukon volleyball athletes will be expected to meet a training commitment.

Volleyball Yukon honours athletes' individual situations and is weary of over-training. Team members are encouraged to customize training plans in conjunction with the coaches if there are: personal barriers; geographical limitations; or conflict with any other concurrent athletic pursuit.

For athletes that may not reside in Whitehorse, selected athletes will be asked to provide proof of following a Volleyball Yukon WCSG coach approved training program that they will adhere to, and to work on the assigned skills as requested by their coaches.

Team Yukon WCSG selected players, who are also registered in CLUB volleyball programming, will give priority to Volleyball Yukon WCSG Team commitments over CLUB practices. Selected players will communicate any potential conflicts to his/her WCSG coaches after team selections are finalized. Every effort will be made by the player and coach (WCSG and CLUB) to resolve such conflicts.

Selected players who are registered in other CLUB or Travel Teams, or another WCSG team will communicate any scheduling conflicts with his/her WCSG coach(es) following announcement of final roster and/or as soon as the conflict is known. Every effort will be made by the WCSG coach(es) and player to work out a training plan that aligns with team needs. Selected athletes will give priority to WCSG practices over CLUB or other travel team commitments.

7.0 HEADING INTO THE GAMES

All team members must show proper respect for coaching staff, other team members, and the community at all times. Team members are expected to follow the training plan set out by the coaches. Any team member not willing to cooperate and follow the Volleyball Yukon and/or Team Yukon Code of Conduct, or follow the training plan set

out by the coaches may be released by his/her coach or the Volleyball Yukon Board of Directors, from the WCSG program at any time.

All Yukon WCSG athletes, coaching staff and Games Committee members will abide by the Team Yukon Code of Conduct, the Canada Anti-Doping Policy and Team Yukon's Discipline Policy.

If athletes named to the Yukon WCSG Volleyball Team fail to continue to meet their training commitments, are injured and can't recover before the WCSG start, or remove themselves from the Team, the Volleyball Yukon Selection Committee may approach athletes who participated in the WCSG Selection Process, with preference going to athletes named as alternates, to fill the vacant spot(s).

8.0 EXPECTATIONS

We want all Yukon participants at the WCSG to be safe, to enjoy themselves and proudly represent the Yukon. We ask that all participants:
